Gift certificates would be appreciated or feel free to add a donation to our account. (Please don't purchase tack at this time. We have plenty!)

If you are interested in donating, but not sure how the money will be used, here are some of the services we provide for our horses:

- ⇒ Training
- ⇒ Farrier
- ⇒ Hay
- ⇒ Veterinary Services, which include vaccinations, medications, surgeries, and spaying/neutering of our cats

We are always in need of reliable volunteers. Don't have horse experience? It's okay! We need help with maintenance, gate repair, etc. We will find the perfect job for you!

Thank you for your continued support-we can not do this without YOU!
